After all, how many artists have made a song named Remedy? You should stop uploading until you can figure out how to do it properly.. For example, '02 - Remedy mp3' isn't going to evoke a lot of notice if the standard convention is to either sort music by placing a folder per artist, then subfolder per album, or to put the name of the artist in the song filename.. It included the famous hit single Never There that peaked at the very top of U S..
